

# ***A Dragon's Guide to the Care and Feeding of Humans***

By Lawrence Yep & Joanne Ryder

## **Annotation**

Feisty dragon Miss Drake's new pet human, precocious ten-year-old Winnie, not only thinks Miss Drake is her pet, she accidentally brings to life her "sketchlings" of mysterious and fantastic creatures hidden in San Francisco, causing mayhem among its residents.

## **Book Talk**

Crusty dragon Miss Drake has a new pet human, precocious Winnie. Oddly enough, Winnie seems to think Miss Drake is her pet—a ridiculous notion!

Unknown to most of its inhabitants, the City by the Bay is home to many mysterious and fantastic creatures, hidden beneath the parks, among the clouds, and even in plain sight. And Winnie wants to draw every new creature she encounters: the good, the bad, and the ugly. But Winnie's sketchbook is not what it seems. Somehow, her sketchlings have been set loose on the city streets! It will take Winnie and Miss Drake's combined efforts to put an end to the mayhem . . . before it's too late.
