

The Luck Uglies

By Paul Durham

Annotation

- Rye and her friends explore the secret lore of the Village Drowning. Can the Luck Uglies save them from the mysterious beast that reappear during the night of the Black Moon?

Book Talk

- Rye O'Chanter tries her best to follow the house rules, but mysterious things are happening in the Village Drowning. On the night of the Black Moon, Rye goes out to catch her cat and has a frightening encounter with a supposedly extinct Bog Noblin. Rye begins to unravel the secrets that she's been told about the village legends and the notorious society called the Luck Uglies.
